Islamabad, Pakistan | +92 335 0556446 | mouizhaxan@gmail.com | [in/mouizhaxan](#) | Portfolio

PROFESSIONAL SUMMARY

Architecture is the art of navigating complex constraints to create meaningful cultural landmarks. I specialize in the conceptual design of public buildings, driven by a passion for creating spaces that serve the community and shape the future of the public realm. By integrating advanced data-driven workflows with computational tools, I bridge the gap between abstract vision and constructible reality, thriving at the intersection of heritage and innovation.

PROFESSIONAL EXPERIENCE

Architectural Intern — "Azermemarlaiye" State General Design Institute

Feb 2026 — May 2026

Baku, Azerbaijan | Full-time

Worked under senior architects on housing and public infrastructure projects under AzDTN standards, with a comprehensive residential complex as the primary design objective.

Architectural Intern — Core Construction LLC

Feb 2025 — Mar 2025

Baku, Azerbaijan | Part-time

Short-term role supporting technical drafting, 3D modeling, furniture and MEP layout development, and on-site drawing revisions.

Draftsman (Arch & MEP) — Attock Construction & Finishing Services

Jan 2021 — Oct 2022

Islamabad, Pakistan | Full-time

Designed false ceilings in 2D and 3D for residential and commercial projects, and produced MEP drawings using AutoCAD.

EDUCATION

Bachelor of Architecture — Baku Engineering University

Sep 2022 — Jun 2026

Baku, Azerbaijan

GPA: 93.84 / 100 | Grade: A | 240 ECTS

- Focus on Architectural Design and Theory.
- Erasmus+ Exchange (Feb 2024 — Jun 2024): Politecnico di Torino, Turin, Italy.

VOLUNTEER EXPERIENCE

Hospitality Team Member — World Urban Forum 13

May 17 — 22, 2026

Baku, Azerbaijan | Volunteer

Served as a hospitality team volunteer at the UN-Habitat World Urban Forum, supporting delegates and guests at one of the world's foremost conferences on sustainable urban development.

CERTIFICATIONS

Feb 2026	Introduction to Rhino 8	Rhino3D.Education
Feb 2026	End-to-End BIM Workflow Using Revit and ACC	Autodesk
Feb 2026	Level 3 Information Manager — ISO 19650 Expert	Plannerly
Jan 2026	Level 1 & 2 Information Manager — Basics to Advanced	Plannerly
Aug 2025	Revit Architecture + MEP Essentials	SourceCAD
Feb 2025	AutoCAD 2D + 3D Essentials	SourceCAD

TECHNICAL SKILLS

Software: AutoCAD, Revit, SketchUp, Rayon Design, Lumion, Enscape, Adobe Illustrator, Adobe Photoshop, MS Office

Skills: Architectural and MEP Drafting, 3D Modelling and Visualization, Submission and Working Drawings, BIM Workflow

Languages: Urdu (Native), English (C1 — IELTS 7.5)
